# Project start and 1st Transnational Project Meeting

Entre-Forward: Enhancing entrepreneurship skills is an Erasmus+ project led by Cooperative d'Initiative Jeunes Corsica along with other European partners focused on promoting innovative approaches to strengthen the cooperation between industry and education towards entrepreneurship and propose innovative practice-based methods where young people are involved in project work and/or motivational activities.

### KICK-OFF MEETING IN BASTIA

The kick off meeting of the Entre-Forward project took place in Bastia, on 29<sup>th</sup> and 30<sup>th</sup> of November 2019. The purpose of this meeting was to get to know each other, evaluate the work undertaken within the first 3 months of the project and agree on the project road map. The partners also discussed in details the technical and financial coordination, quality assurance plan, dissemination plan and intellectual outputs.

The preliminary results of the research conducted under the first intellectual output (Handbook on Entrepreneurial Trainings and Skills) were presented. It will be an evaluation report of the existing entrepreneurship training best practices and training courses in Europe. This research will be the basis for the development of an Entrepreneurship Training Program and Interactive Entrepreneurial Guidance Platform available in different languages.
